“ *Dear Drew,*

*15 years ago I was introduced to you. I never realized how much our friendship meant to me until your passing. I was happy when you became my brother in law because you became what you have been in my heart for years, family. I will remember your warmth and your genuine concern for everyone.*

“ *My Dear Andrew:*

*I met you when I thought that I needed a boyfriend. What I really needed was a friend. You were that and so much more during the fifteen years that we spent together. I will miss your warmth, humor and intelligence. We had our moments, but our time together was the most important of my life. I will miss you everyday until we are together again. I haven't forgotten the plan, and have taken the first step.*

*Love,  
Scribber*
