“ I only remember the best of times with Ann. We worked many times together in Resurrection doing many art projects together. Ann was very talented, a great friend and always with a smile. A couple of months ago I saw her in Walgreens. We both got older, but Ann had that same way of making you feel she was happy to see you. You will be missed by so many.

Anna Marie Franzese  
Ann was a beautiful warm person. She was kind generous and very easy to love. If anyone was in need if help she would always be the first to step up. I know this personally because she helped me when I needed. She knew no other way to live but to do good for others. She surley will be missed by all.we had some beautiful times and fun times. It was an honor to know I w her and be called her friend.
