“ Just heard the news, I am so very sorry. Denny was one-of-a-kind - the best kind! He was such a help to me when I was helping Harvey navigate the VA system. He was also always so willing to help my kids out with their asthma issues. And when my son joined the Marines he gave tons of advice to him to help protect his future. Best of all was his sarcastic, biting, right on the money wit. He will be so missed. He always enjoyed my rainbow cookies - and my Irish soda bread. I will say a prayer each time I make them in memory of him. My deepest condolences to the family.

“ Captain Denny - you were the one who made The Pirates special. Wonderful person, a truly wonderful friend especially to my brother Timmy especially the weeks he was in the hospital and the years after when he would always bring cookies to my mom for Christmas. Extremely intelligent, quick witted, fun loving - all who met him were better off for knowing him. He will be missed. Much love and prayers to Mrs. LeDonne, his sisters, brother, nieces and nephews.
