“ Elaine gave so much to the Children of Broward County. She is a legend at the Guardian ad Litem Office and her name is spoken at the training of all of our new volunteers. Thank you for everything Elaine. Your memory will live on.

“ Elaine was such a a blessing to so many children. A strong compassionate advocate. I loved working with her at the GAL Program. She was an interesting person who I will always remember. Thoughts and prayers to her family.

“ Such a gift to Broward county and the children she served while being a Guardian ad Litem for our office. I had the privilege of working closely with her and there was never enough time to complete our conversations. She had wit, compassion and a memory that wouldn't quit! Praying for family and friends that will miss her but cherish the memories.

“Elaine was my former neighbor in Plantation FL and my forever friend! I am so fortunate to have known her, spent time with her and learned who an unselfish, giving and caring person really is. Not just talk but many, many actions. Her work for the children in her capacity at Guardian ad Litem is a memorial to the epitome of human purpose and servicing. And this is only one example of her "work". I know she is at peace and hope happy memories provide comfort to Family and friends.

“My Aunt Elaine. So many wonderful memories. I remember when we were young what a treat it was for her to visit BROOKLYN. Her being a city women working there and living there. She would take a walk on Avenue U cousins all in tow. We would stop and the 5 and 10 and was allowed to have a treat she would buy. I remembered visiting her in the city when my mom was in hospital and she would take me for a weekend. She would bring me to the grocery store and let me pick out any cereal I wanted. Always Trix and then I was allowed to bring then back with me. The best was when she treated us out to a restaurant and we were allowed to order as many Shirley Temples as we wanted as long as we didn't get "drunk". I have so many great memories. But the best is how much she loved her family. I will miss the long phone calls we used to have. She was some one i always looked up too. Rest easy Aunt E. Your certainly earned your wings.

“ Aunt Elaine was like a 2nd mother to me & my siblings. She was a selfless woman of honor & dignity. She was always there for us, in times of joy & times of despair. We were so blessed to have her in our lives. We love you 'ANNIE LANE'. RIP 💔

“ Where would I start? I have too many happy, funny, amazing memories with you to even begin to share. You were truly the warm shining light in our family. I always had a second Mom in you. Your selflessness toward everyone you knew and loved was undeniable. You have given me a lifetime of unconditional love, for which I will forever be thankful. I miss you so much it hurts now and always will. I will remain eternally grateful that I had you as my aunt, friend, and confidant. We should all try our best to be even a fraction of the magnificent, exceptional human being you were. My heart is truly broken. All of your loving words of wisdom you shared with me through my life will carry me through. Until we meet again my beautiful, loving, sweet, funny, loyal fierce, strong, redheaded, spitfire, Aunt E. XOXO
