

Mr. Ernest Gerard Gramlich

July 6, 1937 - June 23, 2018

Ernest Gerard Gramlich (Jerry) 80 of Gerritsen Beach Brooklyn NY passed away on Saturday June 23rd 2018. Jerry was born in Brooklyn on July 6th 1937, was a graduate of James Madison High School 1955 and continued on to receive an Associate Degree of Science from the City University of NY.

Jerry worked in various management positions throughout his 41 year career at Con Edison. Jerry enjoyed boating, fishing and spending time with his friends and family, and especially his grandchildren, who he was extremely proud of.

He was often found working on something around the house or helping a friend, he really prided himself on being able to put anything together (without reading instructions) or fix just about anything that came his way, he will be sorely missed.

Jerry is preceded in death by his loving wife Lorane of 57 years and survived by Son Robert, daughter Martha Lynn, his daughter in law Lori, son in law George, and four grandchildren James, Elizabeth, Patrick and Grace.

In lieu of flowers, the family would appreciate donations in Jerry's memory to St James Lutheran Church. Rev. James Anderson will be officiating.

“ *My memories of Uncle Jerry only span the last twenty years or so. He showed me lots of kindness over those years, though. He always had some wisdom or a kind word to share. At family parties, he always made me feel comfortable and welcome. He made a point of stopping and saying hello whenever I saw him in the neighborhood. He always asked about my family and how this neighbor or that of ours was faring, knowing something already about their situation. He was proud of his grandchildren and always gave me an update about the family. This neighborhood knew him and will miss him. His family loved him and will miss him very much. His opinions and his voice always made an impression. Rest in peace, Uncle Jerry. Thank you.*

“ I worked with Ernie in the early 80’s when I was a district mgr. He welcomed me as a newcomer to the dept. & could not have been more helpful or professional...& always with a smile. As he used to say about others...”You don’t forget the good ones!”
