“ *Even after I had my own daughters, my Mom would stroke and play with my hair as I lay my head in her lap. There really is nothing that compares to my Mother's loving touch. She lived her life to make beautiful memories for us. There was no waiting till tomorrow or saving it for later. I pray I can be just like her. She is so sorely missed by all of us who loved her. I know her beautiful spirit is with us, watching and waiting, till we meet again.*
