“ *Frank was loved by all, and he loved all dearly. He will be greatly missed. Jesus promised "This is the will of my Father, that everyone who recognizes the Son and exercises faith in him should have everlasting life, and I will resurrect him on the last day." (John 6:40) I pray we all look forward to embracing Frank again.*

“ *My Uncle Frank was a wonderful, kind loving man. I remember all the yard parties growing up and he played the saxophone. We played cards. We had such good times together. He loved everyone and everyone loved him. I will miss him dearly. He had a heart of gold. Thank you for all the good times. He will always be in my heart.*

“ *Frank was always so kind to me and to my family, especially to Warren and Randy. After we adopted Warren and found we were pregnant with Randy, Frank and Lorna were the first people I turned to for advice. They were so comforting, supportive and thoughtful. Frank always made a point to look for the boys when I would see him. He will always have a special place in my heart and will be sorely missed. Thank you Frank for always making me feel accepted and special.*

“ I remember Frank always talking at the house asking questions on how life was going whenever I came over the house to see Jackie. Also, sharing his insight with Jackie and I on musical instruments when Jackie and I were in the Marine Park JHS band. He loved his children and family very much! Frank will be missed. With Love,

“ Frank was a special and dear friend of everyone on the band. We all looked up to him, and always went to him when we needed something explained to us on contracts, scale sheets, and AFM literature when we'd first joined local 802 in the early 70s, and he always gave us good solid advice. He was a great musician, a true professional and we always looked forward to playing with him, whether it was in a club or a private engagement.
