“ I went to Chaminade high school with Jim in Hollywood, FL in the mid 80s. Jim was a close friend and we had great times together. God bless Jim, his daughter, and his family. Mike Lambos

“ James, I miss you so!! I cherished the overnights we shared and the talks. Even though sick you made me laugh. I will always hold you dear in my heart. The moment I met you I felt that connection, we were two souls meeting again. I look forward to meeting that soul again someday. Bless you and your family. Till we meet again my dear friend.

“ I moved to PA a few years ago. I was in Brooklyn today and learned of Jame's passing when I called the branch because I wanted to see how he was doing and hopefully visit him. I last spoke with James in March and found out that he was very sick. Since I just found out today I feel very sad. James was an amazing guy! He was very friendly compassionate and had a very kind heart. James was at my 30th Birthday Party and I had a great time with him at the HSBC Christmas Party several years ago. I have a 9 year old daughter and James and I would talk about our kids. James was very proud of Gina and even though this must be really hard I'm confident that she will grow up and make her father proud. I am really so very sorry for Gina and Jame's family. Life is so short and one day I'll see the close friends and family that I lost. Until that day comes it's important that we live life to the fullest.

I'm going to miss you my friend. My sincere condolences and love to Gina and the rest of your family.

“ So sorry for the loss of James. As a kid, he had a special drive to compete. After a big play he would always do a fist pump. As an adult, he was there for his mom and family. He was so proud of his daughter and to be a dad. I don't think, I ever walked away from James, without having had a laugh. I am James is in God's comfort now.
