“ *Jesse john rodriguez was my father. He was the best dad I could have ever hoped for.. Not a day goes by that I don't miss him. The only thing that gets me through my days is knowing he isn't in pain anymore . he's not suffering in silence .. I spent a lot of my life scared, scared of that phone call . And on march 26th , 2013 , it came. I will never forget that . I see his face so vividly sometimes . I know that he's always with me..*
