“ My condolences to the Farrell family -
I had no idea John had quietly slipped away! I have so many memories of so many summertimes - I will miss John and all our vibrant conversations about life, politics and Eternity.... Until we meet again -

“ John was a very kind, humble man to those of us that knew him, he reminded me so much of my own Dad and always went out of his way to offer words of encouragement, he will be missed. To be absent in the body is to be present with the Lord. My condolences to his family.
The only scars in Heaven are on the hands that hold him now.
