Knew Johnny since 1981 when I was 15 and he was 19. Extremely generous and a huge heart he had. Went to multiple clubs with him and had a lot of fun in the '80s. I remember one night we went to the fun house and right outside the fun house somebody was popping off shots from the roof and almost hit us. Also went to Irving plaza on crazy Eddie nights in 1988ish and that club was a lot of fun too. We all went with him to the world and Mars club on 13th Street and 10th avenue and multiple other spots.

The best was when we went to go see Run-DMC in 1988 at the Nassau coliseum in the summer and it was 98° out with 90 humidity and the car broke down three miles from Nassau coliseum. LOL. We trooped it and walked in that heat and just as we walked in run DMC just came out on the stage. We had to take a car service home from Nassau coliseum back to sheepshead Bay. LOL

Fun guy and a real stand-up guy. He will be missed in loved. 😊😭

“ *Best big brother brother a little sister could ever ask for .. My protector , my life has inevitably changed forever . My big brother stepped up to the plate and Grand Slammed it out of the park . Best uncle , best brother in law and devoted son . So insane there was a sense of normalcy . Heaven you just received one Crazy Angel . My heart is broken , I love you Porko , my sweet Boy , your sis LullaBelle xoxo*
