Tribute Wall

“ God saw you getting tired, So He wrapped his arms around you, and whispered, "come to me." You didn't deserve what you went through, So He gave you rest.

God's garden must be beautiful, He only takes the best
And when I saw you sleeping, So peaceful and free from pain
I could not wish you back.

I will carry you in my heart until we meet again.

Love you

“ Nanny June loved talking about older actors without exactly knowing their names. I would be proud of myself for knowing which ones she was talking about. She loved Gismo soooooo much. She loved good company and just relaxing with friends. I will never forget my last visit with her in the hospital she told me all about her life as a girl. I wouldn't change that afternoon for anything!

*Momma June,
Remembering the times we shared our love for reading and all the wonderful talks we had about those books, the time you held my grandson in your arms, brought tears to my eyes. I will share those loving memories with him. You will be in my heart forever and I felt so special being part of your wonderful family. God bless you and keep you in his loving arms forever.
