“ Tom:
You can be assured that Karen will be remembered in our prayers. I hope that the good Lord will help you through this overwhelming time. I can't imagine what you're going through, I know that you won't believe it but it will get better. You'll never forget her but it will get better. God bless all of you.

Tom,

*I am always saddened when someone has lost their Wife, Sister, Mom, Grandmother. They are God's special gift to us. May God give you and your family strength as you go through this most difficult time. Today and always may you find contentment, love, peace of mind, and the special warmth of sharing and of giving of yourselves to each other. May God Bless you Always and keep you in His Loving Care
