“ I have so many wonderful memories of Aunt Lil, from back in Brooklyn in the 40's & 50's to her last visit to Texas in '96. She was always such fun and loved visiting with my kids and grandkids. She and my mom loved to travel, so they spent many fun times visiting there or here or sometimes traveling to new places. We were blessed to have them in our lives for such a long time.

One of my fondest memories is of Aunt Lil, Aunt Bea and mom for mom's 80th. They surprised her and came to TX for a visit. I was their chauffer they were here and sometimes had a hard time keeping my mind on the road with their shenanigans! All my Texas friends love "the sister's" They had a grand time especially at bedtime. They couldn't quite let go, and would sneak into each other bedrooms and talk and giggle into the wee hours. It was really wonderful watching those 3 in action! Now they are all together again!

My mom and Aunt Lil talked on the phone every Saturday for many years. After mom passed away in 2010, Aunt Lil and I continued the weekly phone visits. She loved reminiscing about the old days and I remember mom saying they both loved sharing stories of old Brooklyn. This was really entertaining to me and I loved hearing the tales!

I send my condolences, Richie, Allen and all your family. She always told me about each of you and she was so proud of her beautiful granddaughter's and her handsome grandson. I know you will miss her and I will keep each of you in my heart and prayers.

Love, cousin Karen

I remember '96 as well. What a great time. I'm so glad I got to know them. I wish I could be a fly on the wall listening to those three now with Bill, Danny, and all the rest of the gang. What a party they must be having. Thinking of Ritchie and the family.

“*Your mom and I talked often over the years when I called so Ruth (her cousin) could talk to her. Those two had such an loving relationship and enjoyed each other's conversations. I had the pleasure of listening to Ruth's end and learned so much family history. When Ruth could no longer hear Lillian I made the calls and spoke to her so I could keep the two of them abreast of things in each other's lives. When Ruth died I continued my friendship with your mom. I loved talking to her. She made me laugh. I am also glad that I had the opportunity to meet Lillian. I had such a nice conversations with her in November and shea shared the family happenings with me. I will miss my conversations with her very much!*

You all have my deepest sympathy and please known that you are all in my thoughts and prayers. Brian will be there and will fill you in on why I cannot be there to hug you and personally give you my love and sympathy.
