“ *Dad, miss you so much. When Mom got sick with Alzheimer's, 8 years ago, you were always there for her. I tried my best to take you places like you always took me as a child, I guess Mom's illness was too much for you & you passed away first. I'll continue to do what I can for Mom. Although she doesn't know who I am. Whenever I show her your picture she kisses it & says I Love You! Until we meet again, love you Dad*
