“ So many great memories. Michael was such a sweet, friendly and funny character. He was always the life of the party. I can still hear him singing Pocahontas at family parties. Mike, my heart is broken that your life was cut short. You live on in the hearts of all of us who's lives you made brighter. Rest In Peace Michael, and don't worry, I won't let Uncle Mick steal Avery's money. RIP love you xo

Mike, there aren't words to describe how much you are going to be missed, Mike was my Coney Island buddy, since we were kids . He married my niece and became my nephew , which we laughed over , Mike about 12 when I met him, I thought he 15 lol even at that young age,he was one of the cool guys, always his black dress pants and And tank top, he was always always soft spoken, funny , very respectful , so talented and good friend . When he and Patricia married , he was immediately one of the most best loved member and he always will be , Mike was the the first one we called he was always there and willing to help , with that big smile . He would get into stories of Coney Island and his music , his singing groups . Oh I could go on and on . He really was a special guy my niece Patricia and darlings nephews Thomas (TJ) Patrick (my Godson) Ryan and Brandan are testaments to the husband and father he was . Our family and I will never forget Michael, we will miss him think of him with every doo sooo we Hear with tears in our our eyes and a heavy heart, our dancing , loving Mike . I love you Michael Bobby and I are so broken hearted . RIP my buddy

With Sincere Sympathy to all of the Regan Family and friends of Michael. It has been many, many years ago that I last saw him and knew him in Coney Island. Can TJ or someone from the family please contact me by phone as I would like to forward a photo of Michael that was taken in 1966 to them.

My dearest Mike I'm so devastated over the passing of losing you I know it's been many years we didn't see each other but no matter what there's something that will never change we share a son together nobody in this world could ever take that from us and you are very kind in loving to me and Tommy when we were together too bad things didn't work out everything happens for a reason we will miss you today tomorrow and forever the world lost a legend I forgive you and so does your son it wasn't your fault a lot of people put their nose where it did not belong and that's why things happen the way they did you know we have closure now until we meet again I never stopped loving you r i p with the angels until we meet again 🙏💔🙏💔🙏🙏
