“ Mom today is 9 years without. I can’t believe how fast the time is going by. You now have aunt Virginia with you as well as Linda and dad and everyone else that has passed. I’m being selfish and saying I wish you were still here with us but god made other plans for you. I always say things happen for a reason but dad and you passing is something I can’t even understand. I love you all so much. Until we meet again. ❤️🙏

“ Grandma, I'm a few days late on saying this because I moved into Monmouth and have been very busy but it doesn't mean I haven't been thinking of you everyday. It's been three years since you're gone and I continue to think of you everyday. I got a tattoo of a heart so that I can have a little sign with me everyday, because you always send hearts. I miss you more than anything and wish I could be telling you about all the stuff happening right now. A lot has happened in three years and I know you're watching it all but I wish we could share it with more than anything. I hope you're watching over all of us. I hope you're proud of me grandma. I love you so much & I miss you even more ❤️🙏

“ Wow Mom I can't believe it has been three years. You have missed so much in the past three years. Jenna started college and is now dorming at Monmouth. Feels so weird not having her at home. We know you were with her though, you sent a heart! I know you and dad will watch over her and keep her safe. Matthew is so tall (he already needs new clothes from sept) I miss you so much Mom, We all do. I love you Mom. Until we meet again. ❤️

“ Hi Grandma, its been a while since I've been on here. I always miss you and I'm always thinking about you, but right now I'm missing you a lot. I just started college last month and theres nothing I wish for more than to be able to talk to you about everything. I haven't seen a heart in a while and I would love to see one. even though I know you are still, and will always be with me, seeing hearts is such a great reminder of that. I love you so so much and I miss you more than anything. Love always, your little angel

Mom, I can't believe it is 2 years since you passed. I love u forever and always!

LOVE LIVES ON

Those we love remain with us for love itself lives on, and cherished memories never fade because a loved one's gone...

Those we love can never be more than a thought apart, for as long as there is memory, they'll live on in the heart. 💔😭😭💔

I don't think I'll ever get used to not hugging you.. I know that you are still with me. Today I was making pancakes for mommy and crumb fell and I went to pick it up and it was in the shape of a heart ❤️ And I also found a penny on the floor (which I accidentally got rid of but it was for a good cause). Please continue to show me that you are with me because it feels so good to know that you are always by my side. I love you forever and ever, to the moon and back. Thank you for being the **GREATEST** grandma I could **EVER** ask for. Even though you're not here you still make it a point to let me know you are with me and that you love me. Your signs me the world to me and I will never not be thankful for them. I love you so much. I hope you and poppy celebrated Mother's Day together. I wish more than anything that I could have given you flowers and card today.. But I know that you know how much I love and truly appreciate you. ❤️❤️❤️ Until we meet again my beautiful guardian angel 🧑🏻👼❤️❤️❤️🥰😊

I wish you were here to see everything, even though I know you are still watching down over us everyday. “ Hi mom. Today is another sad day. Uncle Ernie is with you and dad now. I know you were both there for him to make his crossing a little easier. I spoke with Aunt Virginia tonight and she is so sad. She said that she hasn't had time to grieve for you because uncle Ernie has been in the hospital and then in rehab. I told her that you understand because I know you do. I am missing you so much today mom. I miss holding your hands. I am sorry that I wasn't with you that day mom. I know that you would say don't worry about it that you understand, but I am feeling terrible about that. I just wish that I was with you, that someone was with you. I love you and miss you like crazy mom. Please give daddy a big hug and kiss for me and tell him I love him. I know he knows it but please just tell him. I love you mom and dad!!!

“ *Anyone who knows Mom knows that we were not allowed to lay or sleep on the couch. Sunday night after everyone left our house I went to lay on the couch. I said to Mom I'm tired I'm going to lay down I'm sorry. I layed down and fell asleep only to wake up with the feeling of something in my eye. For the next hour or so I rinsed my eye out three times. After the last time at approximately 2am I got up and said I'm going to just go and put the sheets on my bed. Just as I pulled the blanket back to start putting the sheets on the bed I felt better. I said Mom you're only gone one day and you're already haunting me. I love you Mom!!!!*

“ *Aunt Pat- Mom, Dad and I were so happy that we had our visit with you in June and you were so surprised to see them but especially Dad walking in with his walker! It was such a warm and sunny day and Mom had a wonderful day with you. We looked at all the flowers growing around the house! We all will miss you but especially your "big sister". She loves you so much and will miss all the "loud" phone calls you and she shared throughout the years. Rest in peace Aunt Pat. Love your niece Cathy.*
