“ *I am so sorry to learn of your passing. My deepest condolences to your family and close friends. All my memories of being with you recall happy times. I will never forget the many great trips, long bus rides, card parties, and dinners that we enjoyed together. And the laughs -- lots and lots of laughs! You were a warm-hearted and thoughtful friend. Rest in peace dear Pat. You will be missed and remembered always.*

“ *I thank God that our paths crossed at Macy's, so many years ago. We shared so many good times together and we were there to support each other through rough times. My heart is hurting . I miss you so much. You will always be my " Forever Friend ". Don't forget to tell your Mom & Dad the windshield story.
Love always,
Kathy*

“ I miss you very much, my dear friend. I know you're not suffering anymore and you are at peace. After 42 years of friendship it's going to be strange not talking on the phone or spending time on my Brooklyn visits. You will always be part of the family and I will always have you in my prayers. Rest In Peace dear Pat.

You kept me sane, during the work for our high school graduation. I was so shock about the passing of my dear friend Pat. I will truly miss you and our long talks. You are at peace now and not suffering. Enjoy the heavens, and look down on us. Rest in Peace my dear friend, Pat
