“ *Well cuz your as high as you can get now. Years ago when you got back from your tour in the army and I was venturing out with my truck You would take me on these adventures. One of your MOST favorite things to do was get up on the roof of apartment buildings and climb water towers. You said that after being in Air-Born you got a rush out of being higher than anybody else. Well Big Brother you made it. Love ya cuz keep the beer cold.*
