“ Mumsy, My heart is hurting! I don't know what i'm going to do without you! The selfish part of me wanted you here with me a little longer But I also know you are finally at peace no longer suffering. You always called me your little Rock, But in reality you were mine! I promise I will take good care of Daddy! I love you Mommy!!!

“ I met Theresa when we went for orientation in Sept. 1961 and that's how it started. We stayed friends since. We went to the ring day ceremony and after party and of course Theresa was one of the couples who went to prom and the CoppaCabana after finishing up with breakfast at our friend Vivians. She was always a character; she always kept us laughing. The world was a better place with Theresa in it. I will miss you my friend. Rest easy with the Angels. Condolences to John and Yolanda andher family.
