“ I appreciate all the wonderful things people have shared about my brother. To me he was the first man I fell in love with; He was my best friend, my guardian at the Tamaqua, my hero and protector. We grew up together and will never leave each others side. My life will never be the same. Till the next time Tom Turtle..

“ Dear Pat, Joe, Jen, and James,
I'm so sorry for your loss, and mere condolences seem almost inadequate. I feel privileged to have known your husband/father. He loved life, and he loved his family...and I'm so sorry that he was not able to spend a few more years on this earth to enjoy both. The small consolation for you is that he is no longer fighting the uphill battle against the cancer that invaded his body, and he is now at peace and in heaven with the parents who loved and raised him. Cherish the memories of happier days, and the laughter and love you shared across the years. You will always be in my thoughts & prayers. From Sharie Russell

cross paths with him in this lifetime. Harvey*
