“ *Destiny*

*Destiny first chose to make you
a special part of my life
Destiny then chose
to take you out of my life.
The time destiny allowed us
went so quickly.
It wasn't enough,
there could have been more.
Whenever I start to feel badly
because destiny took you out of my life
I will think of how sad it would have
been not to have known you.
Then I will thank destiny for
making you a special part of my life.
Giving me so many happy
and precious memories
That will be with me
for as long as I live
(c)*

*Always remember Traci with a smile on her face and no complaints.
May she be reunited with all her family members who were waiting
for her on the other side. Praying for her loved ones here on Earth.
Ruocco family.*
