“ There are so many great things to say about my sister sister! You were one of the strongest people I know! With every hurdle thrown your way, you overcame them with such grace & passion to live! You always remained positive, continuing to laugh & smile along the way! All you wanted to do is live out your days HAPPY & surrounded by the ones YOU LOVED! I truly hope you know exactly how much you were loved! Your loss is tremendously leaving a void in so many people’s lives. I don’t know how you did it but You always found the time for EVERYONE. Even if it wasn’t always reciprocated that did NOT change you or your love! It pains me deeply to not have you here with all of us & continuing to make memories but you fought a long strong battle & now you need your rest! This is not goodbye for me but see you later! You will always be remembered & loved! Even this can not break our bond! Thank you god for letting us cross paths 40+ years ago & us never losing track of one another! I love you always sister sister! Hope your exchanging all the hugs, kisses & some swear words with your dad, Lois, Ethel and my mom! Until we meet again, One sweet day!

PS-Kevin knows you’re still my lawyer and forever on retainer! 💔🙏
