Tribute Wall

“ I have so many fond memories of the years we worked together at U.S. Customs. We shared many laughs together during those years and after, including the many times we golfed together. He introduced me to some great golf outings, including the NYPD, 9/11, intel division outing, which was the absolute best. In my opinion, his Brooklyn accent, dry sense of humor, along with his casual, laid back attitude, was a recipe for hilarity. I couldn't help but laugh, every time he was around. Unfortunately this covid has hindered everyone from traveling and doing things they want to do. I would have most definitely attended the wake, to pay my respects to a colleague, a gentleman, and a dear friend. I still speak about him very often. May he Rest In Peace, knowing that he will always be remembered in the fondest ways. My sincerest condolences to all the family and please know that you are all in my prayers.
God Bless!
